About me

*I have been interested in software and web develope-
ment, graphic design and computers in general from
a young age. My personal experiences are composed
mainly of front-end development, system administra-
tion and a little bit of back-end. I am eager for new chal-
lenges. Looking for a summer part-time job.*

⊕ Analytical thinking
⊕ Interested in UI/UX
⊕ Flexible schedule
⊕ Eager for new tech.
⊖ First proper tech job
